

**Kayak from the Andes to the Pacific Ocean**  
**8 days / 7 nights**

True to our spirit, this trip is a good opportunity to get to know an area of the Patagonia which is still remote and untamed. This adventure will take us from the Andes heights to the Pacific Ocean. We will start at Puelo Lake in Argentina, cross several beautiful lakes and row the waters of Puelo River until we reach the Pacific coast in Chile. Along this crossing we will meet settlers, sleep in their homes and they will be the ones who will take our gear from lake to lake using oxen pulled carts.
